John W. McKinley Pleasantly Surier Injures Hand Funeral of Mrs Alexander Johnson Personals.

John W. McKinley who recently underwent an operation at the Backus hospital, was pleasantly surprised at his room in the hospital Wednesday afternoon when two of the representatives of the employes of the repair room of the U. S. Finishing Co. called on him and presented him with a basket of cut flowers and a basket of choice fruit. The gifts were from Mr. McKinley's shopmates at the United States Finishing Co. The representatives also decorated Mr. McKinley's room with flags and flowers much to the delight of the patient. Mr. McKinley is improving rapidly.

# Council Adopts Sidewalk Resolution

But Property Owners Have Option on Granolithic or Asphalt Walks-Crosswalks Must be of Granolithic Construction-Trolley Company's Plan for Relocation of Tracks on Thames Street is Adopted.

At the adjourned meeting of the court of common council in the council chamber on Wednesday evening the resolution regarding the sidewalks and repairs to sidewalks on Franklin street. McKinley avenue, Otis street and Perkins avenue, was adopted with several changes. Practically all of the property owners have been given the option of constructing either a granolithic or asphalt sidewalk although the cross walks must be constructed of granolithic.

The meeting was called to order shortly after \$.20 o'clock by His Honor Mayor Allyn L. Brown and the minutes were accepted according to the usual custom.

were accepted according to the usual custom.

The clerk read the return of publication on the hearing on the petition of the Connecticut Company asking to have accepted and adopted by the council a plan showing the highway through which it proposes to relocate its tracks on Thames street and the new location of the same as to grade and the center line of the highway and the location of poles and fixures. The return was ordered published in the Council Journal.

the Council Journal.

The hearing was then declared open and the clerk read the petition.

Raiph Eaton, engineer for the trolley company, said the plans had been prepared carefully and as far as he knew there was no controversy over any of the details. He said that the members of the public works committee were familiar with the details. As there was no one eise to be heard the mayor declaired the hearing closed and a recess taken. ed and a recess taken.

When the council reconvened a resolution accepting the plan as proposed was adopted.

A WAITING LIST Has Reached Its Full Strength of 105 Men.

The ranks of the Tenth Co., Coast Artillery corps, has been recruited to its full strength of 105 men, according to the announcement of Capt. David Connor. Captain Connor expects, however, a certain few of the men will be barred from service when examined by the medical corps. All recruits are required to pass the required medical examination before they are mustered into the United States service.

This fact leaves a possible vacancy in the company which Contain Contains C in the company, which Captain Con-nor plans on filling by establishing a waiting list of recruits.

HIS RIGHT SHOULDER Humphrey Coffey Awarded Compe sation For Eight Weeks.

Coffey of Noank claimant against the Robert Palmer and Sons Ship Build-ing and Marine Railway company was announced Wednesday by Compensa-tion Commissioner James J. Donohue. A claim for compensation having been made and no agreement reached the matter was heard and determined by the commissioner on Monday at

11.39 a. m.
From the testimony it appeared that
on January 6th last the claimant was on January 5th last the claimant was piling up lumber in the yard of the respondent company at Noank, and while so employed he slipped and fell and dislocated his right shoulder. The claimant testified that at the time he did not think it was anything serious. He remained on the grounds until quitting time and received his week's pay before he started for his boarding house nearby. The claimant testified that the man with whom he was working at the time had since left the employ of the company and could not be located, and that it was simply because he did not think at the time that his injury would prove se-rious and also because he was ignorant rious and also because he was ignorant of the necessity of immediately reporting it to his employer, that he did not do so until the following evening.

The dislocation was reduced by Dr. Bill of Noank, but later spent a week or ten days in the Lawrence hospital, at New London and he claimed compensation for medical bills and disability to the present time.

It is awarded that the respondents shall forthwith pay to the claimant the sum of \$50 which is compensation for sum of \$50 which is compensation for
